Tuesday, October 15, 2019

Break Out Session Three – 8:30-9:50am

Mental Health / Substance Abuse / Opioids – Room A (Bob Evans Memorial Auditorium)		
8:30-8:50	Identifying High Risk Areas for NonFatal Opioid Overdose Using High Resolution EMS Run Data and Advanced Spatial Analysis	B.M. Hendricks , J. Pesarsick, M. Gwilliam, O. Adeniran, T.M. Rudisill, & G.S. Smith, Department of Epidemiology, West Virginia University
8:50-9:10	Opioids in the Medical Curriculum: Students' Perceptions from the Clinic	S. C. Mort , Department of Medicine, Ohio University Heritage College of Osteopathic Medicine & Department of Translational Biomedical Sciences, Ohio University; R. G. Rennie, Department of Family Medicine, Ohio University Heritage College of Osteopathic Medicine; E. A. Beverly, Department of Family Medicine, Ohio University Heritage College of Osteopathic Medicine & The Ohio University Diabetes Institute
9:10-9:30	Increasing Treatment Adherence Among Opioid Users Through Financial Coaching	C. Loibl , Department of Human Sciences and Ohio State University Extension, The Ohio State University; T. Yilmazer, Department of Human Sciences, The Ohio State University; S. Moulton, John Glenn College of Public Affairs, The Ohio State University
9:30-9:50	Motivating Proper Disposal of Unused Prescription Opioids in Appalachia: A Community-Based Approach	D. W. Helme , K. M. Lukacena-Buzzetta, L. Roberson, & C. M. Zelaya, Department of Communication, University of Kentucky; K. L. Egan, Department of Health Education and Promotion, East Carolina University; M. S. McCleary, Department of Public Health Education, University of North Carolina at Greensboro; M. Wolfson, Department of Social Sciences and Health Policy, Wake Forest School of Medicine.
Health Equity Across the Lifecourse: Social Determinants of Health – Room B (International Room)		
8:30-8:50	Data-Driven Paradigms for Addressing Health Equity in Appalachia	S. R. Diaz , Department of Family Medicine, Ohio University Heritage College of Osteopathic Medicine; M. Frazier, Public Health and Regional Workforce Analysis Research, University of Pikeville-Kentucky College of Osteopathic Medicine; M. Cenatiempo, Health Sciences Research & Grants, Lincoln Memorial University-DeBusk College of Osteopathic Medicine
8:50-9:10	The Association of Socioeconomic Status and Access to Care in Appalachia	H. Smith , The Ohio State University College of Medicine; C. DeGraffinreid, The Ohio State University Comprehensive Cancer Center; J. Peng, The Ohio State University Center for Biostatistics; C. Weghorst, The Ohio State University Comprehensive Cancer Center; M.T. Ruffin IV, Pennsylvania State Health Milton S. Hershey Medical Center; E.D. Paskett, The Ohio State University College of Medicine & The Ohio State University Comprehensive Cancer Center
9:10-9:30	Inequalities in Socioeconomic Conditions and Behavioral risk factors are Associated with Urban-Rural Disparities in Heart Failure Mortality in Kentucky Counties	I. Madujibeya , Department of Nursing, University of Kentucky; A. Aroh, Department of Public Health, University of Kentucky; M. Rayen, Department of Nursing, University of Kentucky
9:30-9:50	Social Factors Affecting COPD Readmission Rates	J. Atalla , Marshall University; S. Akpanudo, Department of Internal Medicine, Duke University

Name in bold indicates presenter

Environmental Health – Room C (Eastman Room)		
8:30-8:50	Pediatric Manganese Exposure and Cognitive Performance in Rural Appalachian Ohio: The Communities Actively Researching Exposure Study	K. V. Martin & K. Dietrich Department of Environmental Health, College of Medicine, University of Cincinnati; H. Sucharew, Division of Biostatistics and Epidemiology, Cincinnati Children's Hospital Medical Center; K. Brunst, Department of Environmental Health, College of Medicine, University of Cincinnati; E. Haynes, Department of Epidemiology, College of Public Health, University of Kentucky
8:50-9:10	Family-centered Citizen Science Project to Reduce Home Radon Exposure	N. Conley , C. Wilmhoff, M. Mundy, E. Morris, & E.J. Hahn, University of Kentucky
9:10-9:30	Small water system UV-C LED disinfection: a year-long demonstration of a novel technology to fight waterborne infectious disease	N.M. Hull , Department of Civil, Environmental, and Geodetic Engineering, The Ohio State University; W.H. Herold & K.H. Linden, Department of Civil, Environmental, and Architectural Engineering, University of Colorado Boulder
9:30-9:50	Appalachia's Nuclear Legacy and Public Health	M. Morrone , Appalachian Rural Health Institute, Ohio University; H. A. Perkins, Department of Geography, Ohio University

Break Out Session Four – 10:00-11:20am

Mental Health / Substance Abuse / Opioids – Room A (Bob Evans Memorial Auditorium)		
10:00-10:20	Preferences and Motivations for Clinical Research Participation: A Descriptive Cross-Sectional Study of Syringe Service Participants in Portsmouth, Ohio	A. Hetrick , M. Brown, & A. Rinderle, Division of Epidemiology, College of Public Health, The Ohio State University; P. T. Korthuis, Division of General Internal Medicine, Oregon Health Sciences University; A. Young, Department of Epidemiology, University of Kentucky & Center on Drug and Alcohol Research, University of Kentucky; K. E. Lancaster, Division of Epidemiology, College of Public Health, The Ohio State University
10:20-10:40	Coordinated Specialty Care for First-Episode Psychosis in Appalachia: The Hopewell Health Centers First-Episode Psychosis Program	T. Stage, Hopewell Health Centers; N. J. K. Breitborde , Departments of Psychiatry and Behavioral Health & Psychology, The Ohio State University
10:40-11:00	The HeartHealth Lifestyle Intervention Improves Diet Quality in Appalachian Adults Regardless of Depressive Symptoms	M. Nguyen , College of Arts and Sciences, University of Kentucky; T.L. Lennie, M.L. Chung, D.K. Moser, & G. Mudd-Martin, College of Nursing, University of Kentucky
11:00-11:20	Appalachian Recovery Center Garden Project	M. Aull, O. Adedokun, J. Knappage, & P. Plonski , Nutrition Education Program, University of Kentucky
Health Equity Across the Lifecourse: Child/Adolescents – Room B (International Room)		
10:00-10:20	Community Engagement: A Pathway for Oral Health Needs Assessment	H. Amini , College of Dentistry, Ohio State University; M. Morse, Oral Health Ohio
10:20-10:40	Parents Partners in Education (PPIE) Improves Care Provided by West Virginia (WV) Pediatricians and Family Medicine Physicians for Children and Youth with Special Health Care Needs (CYSHCN)	A. Bias, Y. Balfaqih, S. Mellert, M. Osburn, & J. Lewis , Department of Pediatrics, Joan C. Edwards School of Medicine at Marshall University

Name in bold indicates presenter

10:40-11:00	A Rising Tide Lifts All Boats: Resiliency Lessons from PROSPER Collaborations	K. Henderson-Cabral , College of Education and Human Ecology, Ohio State University; A.Trinh, Opioid Innovation Fund, Ohio State University
11:00-11:20	Addressing Food Insecurity in Pediatric Primary Care	J.A. Skelton , M. Goodpasture, K. Montez, D. Antunez, & L. Albertini, Department of Pediatrics, Wake Forest School of Medicine; D. Palakshappa, Department of Internal Medicine and Pediatrics, Wake Forest School of Medicine
Chronic Disease and Women's Health – Room C (Eastman Room)		
10:00-10:20	A Comparison of Cancer Screening Behaviors of Rural Women by Geographic Area: Appalachia Ohio, Non-Appalachia Ohio, and Indiana	E. D. Paskett, Department of Internal Medicine, The Ohio State University; R. D. Baltic , Resource Planning Analyst, The Ohio State University; S. Rawl, School of Nursing, Indiana University; M. L. Katz, College of Public Health, The Ohio State University; G. S. Young, Center for Biostatistics and Bioinformatics, The Ohio State University; C. M. Tatum, The Ohio State University; V. L. Champion, School of Nursing, Indiana University
10:20-10:40	Preterm Birth Prevention in Appalachian Kentucky: Understanding Barriers and Facilitators Related to Transvaginal Ultrasound Cervical Length Surveillance Among Obstetric Providers	N.R. Chavan , Division of Maternal Fetal Medicine, Department of Obstetrics & Gynecology, University of Kentucky College of Medicine; M.E. Moloney, Department of Sociology, University of Kentucky College of Arts and Sciences; C.T. Cockerham-Morris, Division of Maternal Fetal Medicine, Department of Obstetrics & Gynecology, University of Kentucky College of Medicine; A. Hansen, Department of Sociology, University of Kentucky College of Arts and Sciences & University of Kentucky College of Medicine; J. Li, Center for Health Services Research, Department of Internal Medicine, University of Kentucky College of Medicine
10:40-11:00	Reproductive Health Access in Appalachian Ohio: Tales from a Community Based Participatory Research Project	C. Colen & A. Kissling, Department of Sociology, Ohio State University
11:00-11:20	The Emotional Experience of Living with Diabetes in Rural Appalachian Ohio	E.A. Beverly , Ohio University Heritage College of Osteopathic Medicine; S. Adkins, The Ohio State University College of Pharmacy

Sponsored by:

MARTHA S. PITZER CENTER FOR
WOMEN, CHILDREN AND YOUTH
